# Mastery Training "Evolution"

with Deborah Mills

**Sarasota, Florida October 5-6, 2024 10AM-5PM**

We are at an unprecedented time in our human evolution. Mastery is the conscious art of releasing ourselves from the patterns and programs the "self" has accumulated on the human journey. Soul awareness opens us to remember and embody our Divine nature which allows us to shed all that we have become, to be who and what we truly are. Remembering and Embodying our true nature opens the door within to the ancient part of us that we originally came from.

This Sarasota Mastery will be an opportunity to heal, release, and explore this Quantum aspect of the Soul. This part of our Soul has been beckoning us to anchor our being in the field of pure potentiality. As we expand our minds and hearts we free ourselves to live from our divine nature, experiencing deeper states of unity, peace, and love.

These Mastery Training's are guided by the Ascended Masters to help awaken deeper levels of the heart and soul for personal and planetary evolution.

## This Mastery will include:

- **Guided Journeys and Meditations. Support by Anya Maria and the Crystal Bowls**
- **Activating the Pineal Gland that links the spiritual body with the physical body**
- **Deepening the understanding of trust**
- **Embodying deeper levels of the Soul and its Quantum Nature**
- **Bringing cohesion between our mind and the Divine Nature within the heart**

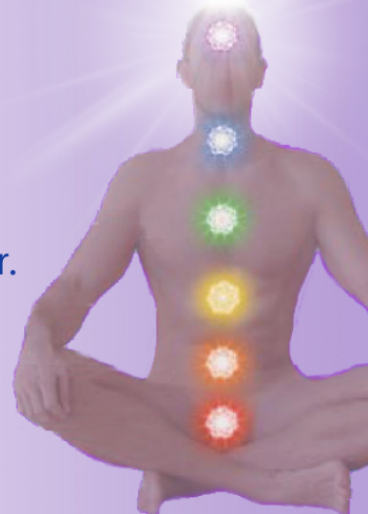

\*The prerequisite for attendance is a sincere heart and mind with a passion to know and live from your original Divine Nature.

**Deborah Mills** is a liaison for the ascended Masters and has been co-facilitating Mastery Trainings with the Masters since 2010 in Mt. Shasta. She is the Director of Soul Focused Healing and has been teaching workshops on healing and awakening consciousness for over 25 years. A gifted healer, and ascension guide, Deborah assists people in awakening their divine essence and purpose.

**Cost: \$275.00**

**Location:**  
Lumina Health at  
2301 Porter Lake Dr.  
Sarasota, FL
