

Transformational Soul Focused Healing

Opening the Pathways for Healing and Enlightenment

LEVEL III SOUL FOCUSED HEALING CLASS

Soul Focused Healing is poised to be an important part of integrative health care as energy medicine moves more into the mainstream.

This Level III SFH class will prepare you to work on a more advanced level and I am excited for each of you to add it to healing sessions. This is also an opportunity for advanced students to retake Level III to deepen their knowledge of the content and receive a discount.

This class is full of content and requires a firm grasp of the earlier two levels. It will be important to have practiced Levels I and II prior to beginning the Level III class.

The program will include:

- Exploration of the Emotional, Mental and Causal Bodies where so many life experiences are held
- The Higher Centers Balance and Petals of the Soul
- Energetic Dialogue and Active Listening
- Daily Meditations and Spiritual Development
- And much more!

Prerequisites: Completion of Levels I and II, including the nervous system
